

DIVING WONDERS

Discover the fascinating blue Ocean through a breath-taking experience with a professional and certified instructor. Go deep and learn the basic and theoretical elements of scuba diving: first in the pool and then in the Atlantic. Start off this admirable sport and take home an official Discover Scuba Diving diploma.

The Experience Includes:

- / Diving course guided by a certified dive instructor;
- / Insurance and all necessary equipment;
- / Practical diving experience in the Pool and Ocean;
- / Diploma Award Discover Scuba Diving (baptism diploma);
- / T-shirt and key chain offer;
- / Underwater photography souvenir offer.

Number of Participants:

Minimum of 1 person.

Recommendations:

Minimum age: 10 years old

The participants should consider a minimum gap of 12 hour between the last dive and a plane trip.

The participants should take bathing suit, towels and flip flops.

Observations:

Available from Monday to Sunday.

Schedule: from 10:00 to 17:00.

Duration: approx. 3 hours.

Reservations:

Minimum of 24 hours in advance.

Subject to availability and confirmation.

Cancellations:

Minimum of 24 hours in advance.

Other observations:

This experience is not subject to climate change if it occurs only in the pool, but it is subject to climate change if it occurs in the Ocean.

All participants must complete a medical record that may condition their participation in the activity.
